ENVIRONMENTAL POLICY

ASSOCIATED AIR-PAK IND. SDN. BHD. and EXTRO-PAK SDN. BHD., recognize that environmental protection is vital. We shall commit ourselves to manage our business ALWAYS with sustenance of our environment being utmost in our approach.

We shall,

1. **Be committed to comply** with applicable legal requirements and other such requirements, which relate to environmental aspects, including requests from interested parties.
2. **Set realistic objectives** to manage the environmental impact of our activities and shall review the system regularly for continuous improvement.
3. **Prevent pollution, minimize wastage, conserve resources and promote recycling activities.**
4. **Provide training** to ensure awareness amongst persons working for or performing tasks on behalf of the company on environmental protection activities.

This policy shall be made available to all persons working for or on behalf of the company and to the general public.

Approved by,

Sivagnana Kumaran
